## **SourcePro becomes members with NASSCOM**

NASSCOM is an industry association of software and service companies. SourcePro is very proud to be associated with such an undisputed industry organization.

Being a services oriented organization and a front runner in IT Infrastructure management it becomes really important to be a member of NASSCOM. IT industry in the country is on an upswing and it becomes really important to identify the future growth areas and the driving forces as it helps us in adding value to our services.

"We are very delighted to become a NASSCOM member. Direct accesses to peers, current and future growth trends, latest industry reports, industry events etc. are some of the key benefits that will be available to SourcePro for passing them over to our students." says Rathin Vaidya, Vice-President (Tech), SourcePro Infotech.
